In 2013, Boyd took a one year leave from his position as CEO of Radio Systems Corporation, which was started in 1991. Boyd is the founder and Executive Chairman of the Board for Radio Systems Corporation, which was started in 1991. Boyd has contributed significantly to the improvement of animal welfare and is a fierce advocate for pet-friendly communities.

The Chamber is excited to announce the 2017 event taking place on Friday, May 12, “jungle,” the 2017 event featuring both silent and live auction items, massages, wine baskets, entertainment passes and much more. The chamber staff will be calling on member businesses about item donation; businesses can also bring their items directly to the Chamber office.

Be it tropics or travel, adventure or animal prints, the auction’s theme is “Born to be Wild!” This year’s theme takes on cloud 9—local wines paired with VIP passes to Tsali Notch Balloon Fiesta and a hot-air balloon ride! The live auction includes all tabletops and other items and will be presided over by Randy Boyd of Stephenson Realty. And auctions. The annual auction is the Chamber’s largest fundraising event of the year, helping fund the Chamber’s Continuing Education Scholarships. A charitable donation is also taken from a portion of ticket sales, past and present.

Painting with a Twist – January 3

When we’ve been stressed and overwhelmed, or gone through a period of ill-health, or emotional upheaval, our business do add up. However, their results don’t always accumulate quickly enough for us to stay motivated everyday. So what can we do to keep ourselves going?

We fall prey to our own frustrations, impatience, and are a wildly wonderful way to highlight the three—Presenting, Event, and Community—available at www.farragutchamber.com. Thank you for your Enterprise Membership!

Welcome back! Renewing Members

We have a great solution that will benefit both you and the Chamber. We have a recycling program that can help you reduce your paper waste. By taking advantage of this program, you can help the environment and also receive a discount on your monthly bill. To sign up for the recycling program, please contact your local章员会 representative or visit the Chamber website for more information.

Building great content to post once per week may seem daunting, but you can spend 10 minutes per day to bring in new business. You need a system in order to produce quality content fast. Here are four tips you can follow:

Close your Facebook tab and turn the photo-off button on. You’ll allow your connections.

Set a timer for 10 minutes so you will remain focused.

Before every article create an outline. Write the section heading, subheading. This allows you to tackle a section at a time.

Don’t stop for editing. Edit after you are completed.

You can use these few tips, your’ll be able to make a big dent in your post during a short amount of time. If you aren’t, if you are not supplying answers to your potential customers online, your competitors will!
